

Revolution Teams - Information Sheet

2nd-6th Grade

Teams: Our vision is to have two teams of 7-9 athletes per grade, though our staff is ready to be flexible based upon numbers at tryouts and how evaluations go. Coaches at each grade level will determine the best way to divide players into teams. Depending on the group, this may include an "A/B" team structure or two evenly balanced teams, with the goal of creating the best experience and development opportunities for all players.

Practice Schedule (2nd-4th): Teams will practice twice per week on weeknight evenings at Columbus North High School. Practices will begin the week of October 19 and continue throughout the Revolution season, which runs through late February. There will be a few weeks off over the holiday season.

Practice Schedule (5th-6th): To allow a balance with athletes' EBL season, 5th-6th grade Revolution teams will not hold weeknight practices until after winter break. Some teams may choose to have practices before then on Sunday afternoons or evenings.

League Play: All teams will compete in the HYBL league on Saturdays at The Ark facility in Greenwood. HYBL offers two league sessions, with each session including an 8-game guarantee plus a tournament toward the end of the session. HYBL offers multiple divisions (A, B, and C) at each grade level. Coaches will determine the appropriate division for each team based on the group and their level of play.

- **HYBL Session 1:** October 24 - December 20
- **HYBL Session 2:** January 2 - February 27

Coaches: The 2nd-4th grade teams will be led by the following coaches.

- **2nd Grade:** TBD
- **3rd Grade:** Zach Greiner, Nick Seger, Scott Romine, Jesse Tharp
- **4th Grade:** Eric Notestine, Adam Endres, Adam Rodriguez
- **5th Grade:** Brad Branham, Josh Meredith
- **6th Grade:** Andy Keffaber, Sean McKinney

Cost: The cost for each player is \$200. Players will also need to buy a uniform for an additional \$80. We will use the same uniforms as last Revolution season so any players who have one that still fits would not need to buy a new one.

7th-8th grade information on back side...

7th-8th Grade - Revolution Academy

Overview: While focusing on their middle school seasons, selected 7th-8th grade athletes will be invited to participate in our Revolution Academy. Throughout the winter, Academy athletes will work directly with our high school coaching staff through purposeful skill development workouts hosted on Sundays. Following the conclusion of the middle school season, athletes will be organized into teams to compete in a session of spring league play in late February through early March.

Workout Schedule: Athletes will participate in group skill development workouts throughout the winter, with 10 workout opportunities from November through February. All Academy workouts will be held on Sunday afternoons at Columbus North High School.

League Play: Athletes will be divided into teams for one session of league play in the early spring. Teams will compete in the Indiana Ball League in Indianapolis, with doubleheaders played on four consecutive Sundays.

Coaches: The following coaches will make up our Academy coaching staff, working together to lead workouts and then coach the teams for league play.
